Comments from 2016 Course

"Excellent to be able to watch clinicians treating patients. I felt it has helped embed new concepts of treating patients with persistent pain"

"It's fantastic thank you for all your efforts and enthusiasm in running this course."

"Great to be hands on and be in a real clinical environment"

"Faculty were so patient with questions and discussion – invaluable"

"Good number of delegates/group size it helps one feel able to ask questions and discuss things in a group"

"I would just like to take the time to thank you for your help and support on the recent Chronic Pain Course, I found it very helpful in furthering my knowledge of pain management at the Walton Centre. It was an interesting course and helped me gain a greater understanding into this field. When feeding back the information to my colleagues on the ward they were very interested and believed it will help in day to day management of patients"

"Good demonstration of MDT and its importance"

"Wide range of topics covered in detail"

"Great facilities and very well organised"

"Excellent live cases and interaction, good lectures"

"Absolutely excellent work shop only shame was I couldn't do all of the lectures"

"This has been a fantastic course one of the best I have been to and I have been attending courses for the past 30 years. The faculty, organisers and staff were all friendly, open, enthusiastic about their subject and only too happy to share their knowledge and experiences"

"A big thankyou to Dr Sharma & Dr Chawla for such a wonderful course, a beautiful experience of wonderful hospitality

"Excellent course thank you! Wonderful speakers, good choice of workshops for a variety of all disciplines attending"

"Good insight in to the various aspects of pain management clinic beneficial for all working in this filed particularly new trainees and therapy staff. Good use of dropbox for presentations
